NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

GRANTS AND AWARDS

The trust believes in supporting existing organisations and people who are striving to make a difference. Its aim is to contribute to and promote the excellent work which is being undertaken across the charity sector.

The trustees have decided to do this by focusing the trust's activities on two main areas of charitable activity; **grant-making**, providing long-term core funding to small charities, and the **Marsh Awards**, recognising individuals and groups committed to social, cultural and environmental causes.

The trust values long-term relationships with the organisations it supports and partners with and aims to develop these over time in both areas of activity.

Below is the list of Grants and Awards made by the MCT in the year ended 5 April 2025.
